

For Your Occasion Event Rentals

GIVES BACK GUIDELINES

Over the last 3 years, the team at For Your Occasion Event Rentals has been building strong relationships, providing financial and in-kind support to organizations and programs that make a positive impact in the community.

We give in many ways: product and in-kind donations and monetary contributions. Giving back is at the core of our business. Each year, the number of donation requests continues to grow. Throughout the year, we receive a large number of requests from organizations striving to make a positive impact, and we are thankful to support a variety of organizations and causes. While we would like to respond favorably to all requests, the needs are greater than those of our allocated resources, so we are unable to accommodate them all.

Please review the guidelines listed below before completing the form. To have an efficient process, we require the completion of the entire Donation Request Form.
